1 The time for empty talk is over. Now arrives the hour of action. Do not allow anyone to tell you that it cannot be done. No challenge can match the heart and fight and spirit of America. We will not fail. Our country will thrive and prosper again. We stand at the birth of a new millennium ready to unlock the mysteries of space, to free the earth from the miseries of disease, and to harness the energies, industries, and technologies of tomorrow. A new national pride will stir ourselves, lift our sights, and heal our divisions. It's time to remember that all wisdom, our soldiers, will never forget that whether we are black or brown or white, we all bleed the same red blood of patriots. Your voice, your hopes, and your dreams will define our American destiny. And your courage and goodness and love will forever guide us along the way. Together, we will make America strong again. We will make America wealthy again. We will make America proud again. We will make America safe again. And yes, together, we will make America great again.
